Activity

Well ✏️

good communication between members ✏️

good use of github so everyone knows exactly what they're doing ✏️

Good usage of GitHub to organise work ✏️   1

Good progress with website development ✏️   1

Not so well ✏️

better preparation for management meetings since meetings end earlier than planned ✏️

New Ideas ✏️

try to follow agile principles as much as possible - more regular meetings with the team to discuss everyone's work progress ✏️   1

prepare more questions in advance to use the whole time of meetings ✏️   1
